

Her World

A short experimental documentary, 16:30 min. © 2010
Tova Beck-Friedman, Writer / director / producer/ editor

She is beautiful, poor and infatuated with movie star glamour -- a Jewish immigrant from Eastern Europe arriving in West Virginia on the eve of the Great Depression. Employing a mix of home movies and Hollywood's Golden Era clips, HER WORLD portrays a woman caught between an Old World and a new country, between reality, glamor and seduction.
